Summer Blast Georgia State Double Tap Florida Open TX State Limited

ATTN: IDPA SHOOTERS and MATCH DIRECTORS

STI will participate in a contingency program for IDPA matches in 2008 that have attained prior approval from STI. Match Directors should contact STI for approval. STI will pay \$350 (product at retail price) to the highest finisher in the CDP and ESP Divisions who have registered (this form) and worn an eligible STI shirt for duration of the match. Shooters must shoot an STI International frame and must be registered with STI International to be eligible. Anyone who shoots an STI International frame is eligible to register! Awards will be in product only at retail prices.

NOTICE: RULES FOR APPROVED SHIRTS - All shirts worn by program participants would need to be either a regular factory STI shirt (any type) or if wearing an individual or team shirt--it would need to be a red, white and black colored shirt and equal logo size would still apply.

PAYMENT OF CLASSES - STI WILL NOT PAY for Single Stack as a PROVISIONAL class. If Single Stack is a RECOGNIZED division - we will pay the winner of each class, if he or she has met all the requirements. We recognize Open, Limited, and Limited-10.

If you have registered before, you do not have to register again but are subject to changes in the program as listed on this form.
